

The screenshot shows the homepage of the Combat Arms website. At the top, there's a navigation bar with links for 'THE GAME', 'RANKINGS', 'COMMUNITY', 'MEDIA', 'SUPPORT', and 'PLAY'. The 'PLAY' button is highlighted in orange. Below the navigation is a large banner featuring three characters from the game: a woman on the left, a man in the center, and another man on the right. The banner text reads 'COMBAT ARMS UPDATE' and '*** BUG FIXES, STABILITY IMPROVEMENTS AND MORE! ***'. Below the banner, there's a section titled 'ALL ARTICLES' with a sub-section for 'PHASE 3 OPERATION: BULWARK UPDATE'. To the right of this, there's a 'SCHEDULED MAINTENANCE 1/8/14' notice and a 'SNOW DAY!' announcement. Further down, there are two more screenshots: one showing the 'RANKINGS' page with a total player count of 150,601, and another showing the 'LOG IN' page.

[About Us](#) [Merchants](#) [Consumers](#)

Building Trust Between the Merchant and the Consumer

At Approved Buy, we firmly believe that boosting your ROI and making your customers feel safe is the only way to succeed. By providing merchants with key analytics and custom reports, and adding a second level of security for consumers, we build rock solid foundations of trust.

How it Works

We verify each and every merchant before adding to our marketplace. Then, on top of that, we add a full coverage protection plan at no cost to consumers. Thus creating an ecommerce utopia. Happy shoppers, successful sellers and Approved Buy working for both sides even after the buy button is clicked.

Yes, We Have Mobile Support

Your Customers Have Gone Mobile:

- 66% of Americans ages 24-35 own a smartphone.
- 74 million consumers in the U.S. already shop from their mobile devices.
- The percentage of shoppers buying from their mobile devices is expected to rise 21% this holiday season.

Source: January 2012 Nielsen Study, 351,000 consumer households.

The screenshot shows the Xposer homepage. At the top, there's a search bar with fields for 'Name (any)', 'City (any)', 'State (any)', and 'Country (any)'. Below the search bar are two profile cards:

- Robin Kowalski**: Shows a photo of a smiling woman. Buttons include 'MEET ME', 'MY REVIEWS', and 'REVIEWS ABOUT ME'. Overall date rating is 5 stars. Text below includes WHERE: Los Angeles, CA; WHEN: 2011-03-05; FIRST IMPRESSION: liar; STRIKING FEATURE: won't marry me; HOW DID THE DATE GO?: We meet two weeks ago at the dentists office. He was handsome, sweet and really charming. He asked me out right there in the office and we went out for dinner two nights later. I'm looking for Mr. right not just anyone.
- Nick Lechey**: Shows a photo of a man. Buttons include 'MEET ME', 'MY REVIEWS', and 'REVIEWS ABOUT ME'. Overall date rating is 5 stars. Text below includes FIRST IMPRESSION: freaky; STRIKING FEATURE: challenge; HOW DID THE DATE GO?: Look I'm a guy. I don't know what I want down the road, but I do know I like a good challenge. Robin was a challenge. To be honest her being so open on the first date really freaked me out. But I couldn't bed her I just felt to bad for her. I had to be honest.

The top half of the screenshot shows a 'MESSAGE' window where a user has accepted a vote from Robin Kowalski. The bottom half shows the 'SIGN UP' page with two options: 'WITH YOUR SOCIAL NETWORK PROFILE' or 'CREATE A NEW ACCOUNT'. The 'CREATE A NEW ACCOUNT' section contains a form with fields for First Name, Last Name, Gender, Birthdate, City, Country, State, Username, Password, and Confirm Password. There are also checkboxes for 'I agree to the Terms & Conditions' and 'I want to receive news & offers'.
